HOW TO PLAY PICK'EM

In PICK'EM POKER, you play with five cards, as shown in the picture above. There are two cards on the left and one "Total" card on the right. Each of the two cards on the left represents the top card of a deck of 52 cards. The two cards on the right represent the top card of a deck of 52 cards. When you hold one of the two cards on the right, the two cards on the left will give you the top card of a deck of 52 cards.

One word of caution: In video poker, you have the opportunity after you have held a card to "suck" it out of the game. If you do, you will lose the card.
