An Introduction To Film Genres

Synopsis

A brisk, accessible, and informative introduction to film genres. *An Introduction to Film Genres*, written by leading film scholars specifically for undergraduates who are new to the study of film, provides an introduction that helps students see thirteen film genres in a new light--to help them identify the themes, iconography, and distinctive stylistic traits of each genre.

Customer Reviews

This book was a requirement for my film studies class. It was pleasant to read. More of a summary of each genre and easy to comprehend.

Interesting material, but a bit dense to read at times. I had to re-read pages often times to grasp the information.

Perfect!

The book's great. Though I wish it could be packaged better next time

Great book for class and for info in general.
