Bankruptcy Bible 2016: The Only Pro-Consumer/Pro-Active Approach To Filing Bankruptcy (Ultimate Bankruptcy Series)

Synopsis

"Bankruptcy Bible 2016" is Your Number One source for information that your Creditors and the Bankruptcy Court does not want you to know! Our "Ultimate Bankruptcy Series", is the ONLY Pro-Active Pro-Consumer Series of Bankruptcy Books Available Anywhere! Our Ultimate Bankruptcy Series was NOT written for "Dummies" or people who just don't get it, but instead is directed toward intelligent people who want to come out of a bad financial situation ... ON TOP! Every Review for this book up until today (July 7, 2015) has been written by real people who were forced to file bankruptcy and have received the critical insights they needed to turn their losing proposition into a Winning Scenario. Our "Ultimate Bankruptcy Series" is your ultimate resource for pre-planning and taking control over your bankruptcy filing process, and includes information your creditors do not want you to know! What this means for you involves the crucial matter of your being able to decide which Chapter of Bankruptcy, Chapter 7 or Chapter 13, will best serve your needs, and what actions to take to enable you to make this very important choice. Changes to the bankruptcy laws in 2005, masterminded by the Banking and Credit Card Industry, have made filing bankruptcy a losing proposition for most consumers today. "Bankruptcy Bible 2016" is must-read material for anyone even thinking about filing for bankruptcy, or facing wage garnishment, unmanageable IRS debt, property liens, over extended credit card debt, or real estate foreclosure! Learn everything you need to know now, in order to protect yourself and your family from the ravages of the post 2005 Bankruptcy Law. Plan and take control of your entire Bankruptcy Filing Process from Beginning to End. Avoid being stuck with unnecessary \$1,600 per month Bankruptcy Plan Payments that can cost you tens of thousands of dollars and keep you living below the poverty line for years to come. File the Chapter of Bankruptcy that works best for YOU in order to minimize your losses and maximize your savings in the process. INCLUDED IN THIS TEXT:

- Learn How You Can Easily Avoid the Headaches and Pitfalls that far too many people end up having to deal with in Bankruptcy.
- Learn How to effectively Avoid Getting Stuck with an Incompetent Unreliable Non-Supportive Bankruptcy Attorney that Could Not Care Less about what Happens to You and Your Family when Filing your Bankruptcy!
- Learn How to LEGALLY Protect Yourself and Your Family by choosing the most competent and most ethical attorney for the job.
- Learn How to design the three key areas of your Bankruptcy Petition that will Determine What Your New Life After bankruptcy will look like.
- Learn Insider Secrets that will Help You Get the Maximum Benefits of your bankruptcy filing, while avoiding the three major pitfalls most people fall short on.

This Ultimate Bankruptcy Guide cuts through all of the illusions regarding your bankruptcy filing process. You will learn how to take control of your entire bankruptcy filing experience from beginning to end. You will know all the right

questions ask your attorney, plus how and why to apply the Bankruptcy Control System to your own personal bankruptcy experience. • Bankruptcy Bible 2016 • has been produced in collaboration with some of the best practicing Bankruptcy Attorney's around and is necessary for pre-planning all elements of any bankruptcy filing experience. Customer Reviews

This book is great, but requires time to use it. It has great advice and if you get it and follow what it says and it will save you money, hassle and time. Here's the catch, it requires you get it about 7 months before you file to really work. There are many excellent tips and things to do and know. It is filled with things no one will tell you, including your attorney. It is brutally honest and not a way to "trick" the system. It tells you what to do to protect yourself and be ethical about the process. He is right that since the changes in 2005, the bankruptcy system is completely for the banks and credit card companies to get rich. It's a travesty that the Republicans and Democrats together made this

law as it is now and did this to the middle class while giant corporations file bankruptcy and can just walk away.

To the point and easy to search, includes actual links to the websites which provide more info (even videos) - very pragmatic, conceptually flawless, although bankruptcy is a difficult subject to master, so the book hits only the surface...

I truly appreciate this book David Walden has written that will help those unfortunate enough to need bankruptcy advise to move through the process with as few snags as possible. Keeping in mind the the proper bankruptcy process helps the probability of people being able to pick up the pieces of broken finances and move forward as a productive part of society. This book is a service to those willing to examine and take ownership of their situation. Kudos to the author!!
