Reconcilable Differences: 7 Keys To Remaining Together From A Top Matrimonial Lawyer

Synopsis

THE "ANTI-DIVORCE" BOOK FOR COUPLES WHO ARE COMMITTED TO MAKING "I DO" LAST FOR A LIFETIME Robert Stephan Cohen believes that no marriage is half as complicated as a divorce -- and with three decades of experience as a high-profile divorce lawyer, he should know! In *Reconcilable Differences*, he gives couples the keys to navigating conflicts before they become roadblocks to marital harmony. Cohen begins by identifying the seven "Universal Differences" that often lead to conflict but don't necessarily signal the end of the union: Parallel Lives * Communication * Sex * Money * Infidelity * Transitions * In-laws/Family With the cool, compassionate voice of a trusted adviser, he then explains that there are three phases of conflict: Warning signs -- the early tip-offs that trouble is brewing; Crimes and misdemeanors -- actions guaranteed to raise tempers; and Reconciliation -- the process of getting back on track. Drawing on countless case histories, Cohen reveals how to put these differences behind you and move forward -- together.

Customer Reviews

There are few times more miserable in life when the person who once made you feel best about yourself and your life, becomes the one who now makes you feel worst about both. Like it or not, human beings often learn more from what they do wrong than what they do right. What better vantage point to identify what goes wrong in a marriage and what can make it go right and how to prevent the mess in the first place than from a compassionate, plain-talking (vs. psychobabbling) matrimonial lawyer who has seen them all and who is honest enough to talk about his own personal

shortcomings from his own marriage. Buy, read and re-read "Reconcilable Differences" so you never have to hire a lawyer like Mr. Cohen.

Written by a matrimonial lawyer, the seven customary problem areas given as justification for divorce: parallel lives; communication; sexual compatibility; money; infidelity; transitions; in-laws and family are all addressed as-- reconcilable, and he gives many specific examples of concrete action. It might be useful to remember that when you need a matrimonial attorney or a so-called "therapist," you are at a difficult time of life when your ability to process a give and take discussion (and receive advice completely and accurately) may be far from optimal. So, why not read what he has to say--on your own time ?

i read a clip of this book in a magazine and knew i had to have it....i live with my boyfriend (we are in our mid 30's) and i realize all the mistakes ive made in the past...i am confident that we will always work through out struggles...thanks a million...susan torres
