Customer Reviews

I have spent many an enjoyable hour relaxing in my Jacuzzi bubble bath working on Cyn Morrisâ™s Acrostics. I can recommend these books as fun collections of easy-to-difficult-to-solve puzzles (mostly moderately challenging). Books like these are getting increasingly hard to find. So I heartily suggest that you give these entertaining brainteasers a try.

Cynthia Morris has developed an incredibly interesting series of acrostics focused on interesting facts in American History. As you work through each puzzle, you progress through the years, and learn fascinating facts. I very much enjoyed working these acrostics. They are challenging yet very doable.

I'm a self-admitted Acrosticaholic and have been solving traditional Acrostics for many, many years.

The American Acrostic Series, with its theme-based puzzles and very clever clues, delights me with its fresh treatment of the Acrostic form.

Wonderful way to revisit our nation's history. And great fun as well. Have been doing acrostics for decades, but this lady knows how to make them not just a puzzle, but a fascinating learning experience..

So cleverly constructed & educational!! Love doing these acrostic puzzles getting a review of US History! want more!

Excellent puzzles prepared by an author with wide-ranging interests and a good sense of humor.
