Food And Drug Law: 2014 Statutory Supplement Revised (University Casebook Series)

Synopsis

This compilation includes the completely updated Federal Food, Drug, and Cosmetic Act, plus selected additional federal statutes important to food and drug law. This edition is current through October, 2014 and includes the amendments made by the Drug Quality and Security Act. This Revised 2014 Edition does not reflect any substantive changes in the law since the publication of the first 2014 Edition, but rather merely corrects errors contained in the earlier edition, most of which were introduced during the production process.
